CAREER OBJECTIVE

Motivated Computer Science Engineering student with strong interest in software development, problem solving, and web technologies. Skilled in Python, Java, MySQL, and frontend development with active practice in Data Structures & Algorithms. Seeking opportunities to apply technical skills and gain practical industry experience.

EDUCATION

Degree	Institute	CGPA/Percentage	Year
B.Tech, CSE	Pragati Engineering College, Kakinada	9.1 CGPA	2024 - Present
Intermediate	Sri Chaitanya Junior College, Anakapalli	97.1%	2022 - 2024
SSC	Little Flower High School, Anakapalli	84.3%	2021 - 2022

PROJECTS

Internship Management Portal | Python, Flask, HTML, CSS, JavaScript, MySQL

- Developed a role-based Internship Management Portal to streamline internship tracking and management for students and departments.
- Implemented secure authentication and authorization for Student, Coordinator, Principal, and Super Admin modules.
- Built internship approval workflows, student progress tracking, centralized dashboards, and department-wise analytics.
- Integrated MySQL database for internship records, categories, academic year management, and report generation.
- Developed the system based on college-defined requirements to support real-world internship management processes.

Faculty Portal Dashboard | Python, Flask, HTML, CSS, MySQL

- Developed a web-based faculty management system for academic and administrative operations.
- Implemented secure authentication and role-based access control for faculty and admin users.
- Designed responsive interfaces and integrated MySQL database with Flask backend for secure data management.
- Developed the project based on institutional requirements to streamline faculty-related academic workflows.

TECHNICAL SKILLS

Programming:	Python, Java, C
Frontend:	HTML, CSS, JavaScript
Database:	MySQL
Core Skills:	Data Structures & Algorithms, OOP, DBMS, Problem Solving
Tools:	GitHub, VS Code

ACHIEVEMENTS

- 5-Star Rated in Python and Java on HackerRank.
- Solved 180+ problems on LeetCode.
- Earned Elite + Gold Badge in Java NPTEL Course.

CERTIFICATIONS

- Python Programming Certificate – GeeksforGeeks
- Programming in Java – NPTEL
- Google Android Virtual Internship – EduSkills
- Web Development Virtual Internship – EduSkills
